

NEW YORK

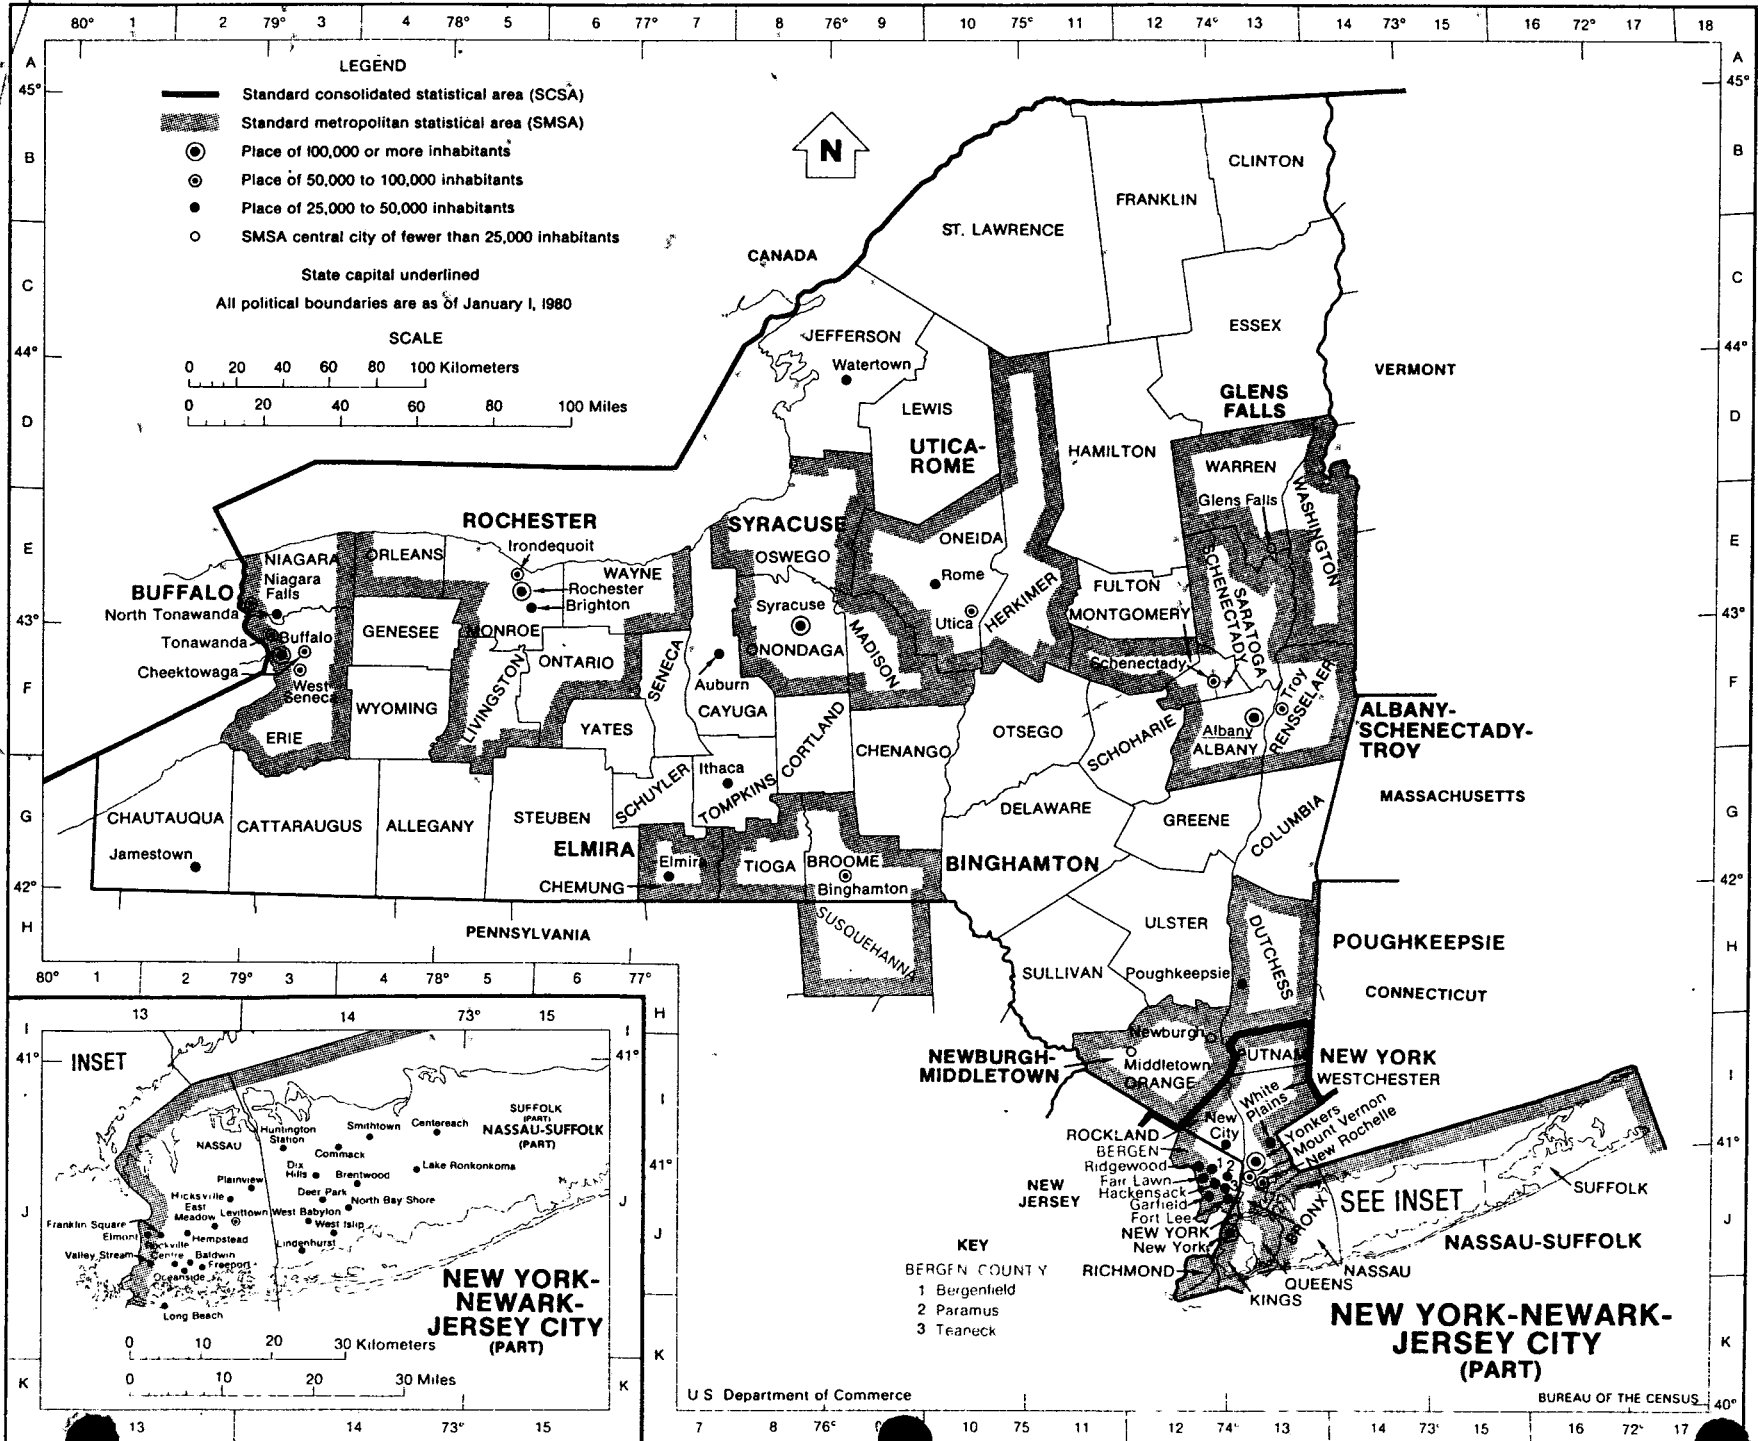

MINOR CIVIL DIVISIONS

The primary divisions of the counties in New York are the towns and all but one of the cities. The following counties also include Indian reservations as primary divisions: Cattaraugus, Chautauqua, Erie, Franklin, Genesee, Niagara, Onondaga, and Suffolk. The incorporated villages and one city (Sherrill, in Oneida County) form secondary subdivisions of the minor civil divisions in which they are located. Under general law, an elected town supervisor is the chief administrative officer of the town. In addition to local road maintenance, town governments handle a variety of functions, and, in many cases, provide urban-type services.

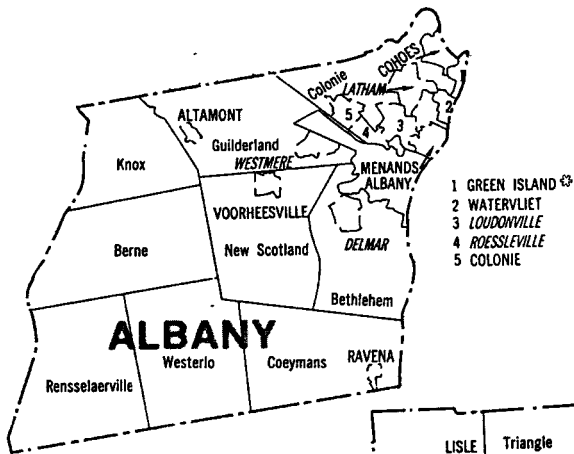

MUNICIPALITIES

Municipal governments in New York are the cities and villages. Unlike cities which exist outside the area of any town, villages are included within town areas and are subject to town taxes for general government and town-wide functions. There is no longer any effective size classification of cities, but villages are divided into four classes as follows:

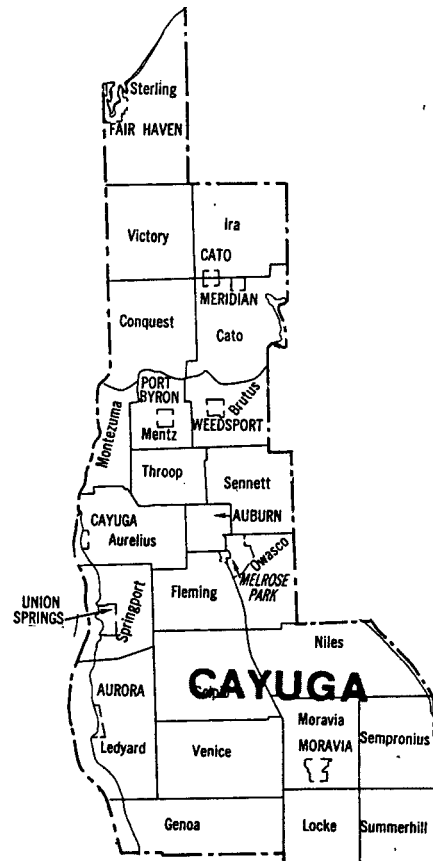

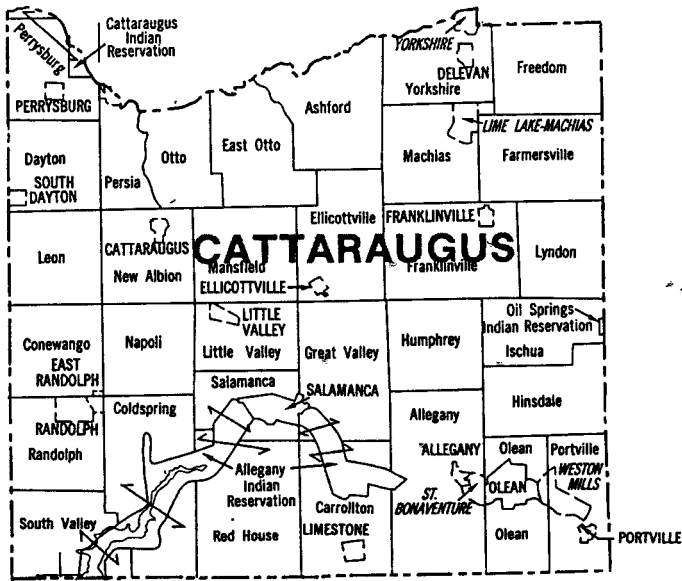

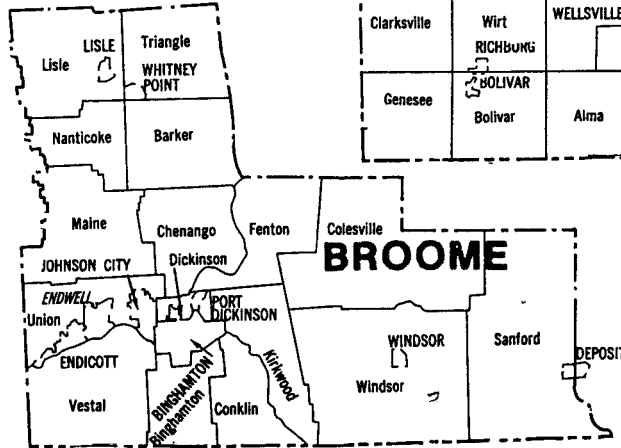

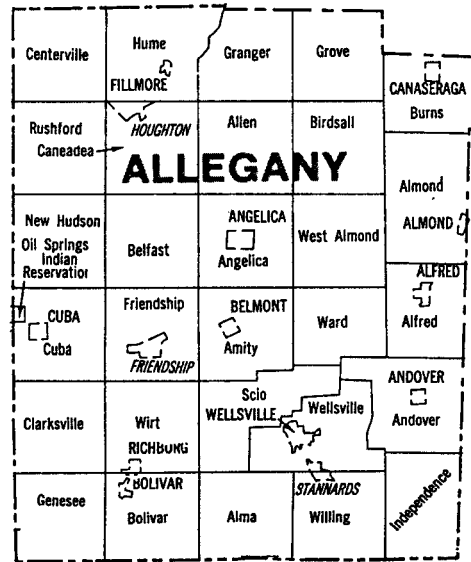

- First class - 5,000 inhabitants or more
- Second class - 3,000 to 5,000 inhabitants
- Third class - 1,000 to 3,000 inhabitants
- Fourth class - less than 1,000 inhabitants.
